(HL17-0001, O'Neil Ford Civic Complex, Roman McAllen)

Vice- Chair Devin Taylor opened the Public Hearing.

Roman McAllen, Historic Preservation Officer, presented Public Hearing item 4A.

McAllen stated there is a landmark currently located in the courtyard which designates the complex as a historical landmark, but there was never an ordinance passed to confirm the designation.

Commissioner Sullivan stated his biggest concern is the additional cost and time to process any renovation of the government buildings included within this Historical Landmark. McAllen stated there would be no added cost since the property in the designated area is owned by the City of Denton. Work done to the structures in the area would be reviewed by the Historical Landmark Commission (HLC). Further, McAllen stated any interior work could be approved by the Historic Preservation Officer.

Commissioner Rozell questioned how this resurfaced. McAllen stated an Assistant City Manager questioned if the complex was designated a Historic Landmark. McAllen stated that he was unable to find any information regarding the ordinance nor why this last step to complete the ordinance had not occurred. Commissioner Rozell questioned why the neighboring post office is not included on the map. McAllen stated the City of Denton owns almost all the property that is going to be designated. Since the United States Post Office is a federally owned property including it would require authorization from federal government. McAllen continued to state that the Post Office would be a contributing structure to the proposed Complex.

The following individual spoke during the Public Hearing:

Masseud Ebrahimi, 406 N Bell Avenue, Denton TX, 76209. Supports this request.

Masseud Ebrahimi questioned what restrictions this ordinance will put on surrounding property owners. McAllen stated if you are not within the boundaries then you will not be affected.

Vice-Chair Devin Taylor closed the Public Hearing. There was no further discussion.

Commissioner Larry Beck motioned, Commissioner Andrew Rozell seconded to approve Public Hearing item 4A. Motion approved (5-0). Vice-Chair Devin Taylor "aye", Commissioner Larry Beck "aye", Commissioner Steve Sullivan "aye", Commissioner Andrew Rozell "aye", and Commissioner Margie Ellis "aye".

Commissioner Ellis questioned where the update to the Tree Code stands. Shandrian Jarvis, Development Review Committee Administrator, stated staff paused the item until the State Legislature finished updating their bills on tree mitigation and preservation. Jarvis stated the Tree Code update should pick back up in June.

Commissioner Rozell questioned when there would be another Planning and Zoning Commission Rezoning Subcommittee meeting. Ron Menguita, Long Range Planning Administrator, stated staff is waiting for a joint meeting with City Council and Planning and Zoning Commission to take place before the subcommittee can meet.

There was no further discussion.
