Jennifer	Bates	2411 S. I-35	Denton	22-1275	Support	eComment	I support this resolution and encourage the council to do the same. I do not believe that any governmental body should limit a person's choices regarded reproductive health care and access. That is a discussion between the individual and their doctor. Opinions based on a person's religion or non-religious understanding of reproductive care should not impact anyone but themselves. I encourage the city to do what it can to protect the people living in Denton.

Dianna	Boonme	Not Provided	Not Provided	22-1275	Support	eComment	Denton is a growing city with limited resources. Why spend our limited budget to prioritize the investigation/enforcement of private health decisions? Isn't the money better spent on paying our teachers, law enforcement, and providing them resources? It also makes logical sense in regards to our city employees time and resources. As the city grows, crime will increase as well. Priority should go to protecting us from crimes inflicted by others, our schools safe, and basic infrastructure.

Heather	C.	3911 Montecristo Lane	Sanger	22-1275	Support	eComment	I support this resolution and urge you to approve it. A woman's health care decisions should be private and she should not fear the option to do what is best for herself and her own body.

M	Coomes	2636 John Dr.	Denton	22-1227	Opposed	eComment	I oppose the petition brought by people who did not live, vote in the district in May 2021 election. The subject has not been found incompetent by a probate court nor has been charged with a crime of malfeasance and misconduct. Council could be left with a vacancy. Do not make a mockery of elections and squander tax-dollars by holding a date a needless election. The May 6, 2023 election is the appropriate venue for making a change.
Kamyon	Coomes	P.O. Box 227336	Dallas	22-1275	Support	eComment	I support and urge Denton City council to vote to deprioritize using city resources to investigate, prosecute or criminalize people for their pregnancy outcomes. No one should be targeted for any pregnancy outcome including abortion.

The state of Texas has a maternal mortality rate way higher than the national average and the United States has one of the worst MMRs in the world among high income countries. Anti-abortion legislation will only drive this statistics higher and worsen maternal health, particularly for black women.

Marisol	Espinal-Romani	Not Provided	Not Provided	22-1275	Support	eComment	I strongly urge the council to approve F. ID 22-1275 based on human rights. Reproductive freedom is an individuals decision that the State should have no control over. This is a privacy matter and law enforcement does not have a right to infringe on a human's privacy to investigate reproductive decisions that are deeply personal. For the sake of human rights, please pass this resolution as a safe haven of hope.

Kelly	Evans	924 Manhattan Dr.	Denton	22-1275	Support	eComment	Denton should not prioritize resources for investigating or enforcing laws related to reproductive healthcare in the midst of the deeply politicized, polarized shifts of the Supreme Court decision. The overturning of Roe v. Wade shakes precedent and undermines the integrity of the court, and until that is settled, Denton ought to refrain from interfering with healthcare decisions. (Even after, Denton ought not interfere with abortion rights.) Instead put resources where we need them most.

James	Jackson	Not Provided	Not Provided	22-1275	Support	eComment	SCOTUS overturned decades of precedent establishing federal protections for the right to abortion. Since the release of the decision, obtaining an abortion in Texas is no longer accessible to your constituents. We should all be able to freely make the personal health care decisions that impact our lives, health, & futures. It is imperative that we act as quickly as possible to ensure that our community feels safe & secure in accessing reproductive healthcare needs including access to abortion.

Its a waste of governmental money and resources to attempt to monitor, regulate, and prosecute people in violation of this nonsense law, and any more like it. These medical choices are solely the domain of patients, their doctors, and their deity.

Carol	Soph	1620 Victoria Dr.	Denton	22-1227	Opposed	eComment	It is still a question as to the validity of the signatures on the petition to have Alison Maguire recalled. The City cannot act on this based on the question of whether this document is legal. Most of the signatures were from people not in her district when she was elected. The City must follow the law.
Ed	Soph	1620 Victoria Dr.	Denton	22-1227	Opposed	eComment	Is there not a pending lawsuit about this recall petition? Is it not true that many of the signers of Mr. Duff's petition did not even vote for Ms Maguire in the pre-district change election? And, if those voters were removed from the petition there would not be the prerequisite number of voters to validate the recall? This is a frivolous action and there should be something added to the City Charter to prevent this sort of foolishness in the future.
Carol Ann	Soph	1620 Victoria Dr.	Denton	22-1275	Support	eComment	Support all citizen's right to privacy. This will secure that medical decisions and treatments to be made solely between the doctor and patient. Keep the government and police out of medical offices. Support this amendment.
Ed	Soph	1620 Victoria Dr.	Denton	22-1275	Support	eComment	I respectfully urge you to support this Resolution. And, a unanimous vote would send the message that Council is united in supporting what it pledges before each meeting, "liberty and justice for all." Thank you.

Kasidy	Wheel	710 Wolfrap Dr.	Denton	22-1275	Support	eComment	I am in full support of not only deprioritization, but full decriminalization of abortions in Denton. It is a right and decision that should be considered personal and private to the individuals seeking care and should not be controlled or investigated by police or the local government.

Phillip	Young	2041 Scripture Street	Denton	Open Mic	N/A	In-Person	Encourages City Council to pause their search for a new Chief of Police. Law and order is breaking down in Denton. Maintaining Law and order is our first line of defense.
David	Zoltner	2501 Timber Trail	Denton	22-1275	Opposed	eComment	Our nation has been deeply divided over the abortion issue for decades and, unfortunately, that division does not stop at the city limit signs of Denton, Texas. ANY resolutions, whether pro-choice OR pro-life coming from a non-partisan local governing body supposedly representing all citizens serves NO constructive purpose and needlessly polarizes and further divides a local community against itself. We deserve better. Any such resolutions should be promptly rejected.
Danna	Zoltner	610 Emery	Denton	Open Mic	N/A	In-Person	Comments on public discourse. Thanked Mayor Pro Tem Beck for his dissenting vote regarding exploding fireworks near the Animal Shelter.
