- B. MC20-010** Lindsay Baker and Troy Raley shared Denton County Transportation Authority updates for the DCTA. The 19 mile Rail Trail has been completed in December connecting the Lewisville Highland Village Lewisville Lake station to the Old Town area in downtown Lewisville. As a result the North Central Texas Council of Governments named it trail of the month and produced a wonderful video on the trail with interviews with several community stakeholders.

They will be hosting a Rails to Trails event on April 18th in honor of national opening day for trails and will be working with the City.

- C. MC20-008** Haley Salazar presented a report on Initiatives to Reduce Wrong Way Driving. This initiative is being presented today because it was one that we did not get credit for as part of the Policy Bundle submittal.
- F. MC20-012** Pritam Deshmukh presented the Items for Future Consideration for review and update recommendations along with the current street construction report.
