REGISTRATION GUIDELINES FOR ADDRESSING THE CITY COUNCIL

Due to COVID-19 precautions, members of the public will not be able to attend the Monday, April 6, City Council emergency meeting in-person. To accommodate and receive input on agenda items, citizens will be able to participate in one of the following ways (NOTE: Other than public hearings, citizens are only able to comment one time per agenda item; citizens cannot use both methods to comment on a single agenda item):

- Virtual “White Card” – On the afternoon of Monday, April 6, the agenda was posted online at www.cityofdenton.com/publicmeetings. Once the agenda is posted, a link to the Virtual White Card, an online form, will be made available under the main heading on the webpage. Within this form, citizens may indicate support or opposition, and submit a brief comment about a specific agenda item. Similar to when a citizen submits a physical white card to indicate their position on the item, these comment forms will be sent directly to City Council members and recorded by the City Secretary. The Mayor will announce the number of Comment Cards submitted in support or opposition to an item during the public comment period. Comments may be submitted up until the start of the meeting, which begins at 3:00 p.m. Online comments received after 3:00 p.m. will not be delivered to the City Council nor entered into the public record.

OR

- BY PHONE – Citizens wishing to speak to the Council on an agenda item over the phone, may call (940) 349-7800 up to 30 minutes prior to the meeting, which begins at 3:00 p.m. When the call is initially received, a staff member will receive the caller’s information and either: 1) offer to call the citizen back when it is time for them to speak on their requested item, or 2) record the caller’s information, support or opposition, and comment. If the caller chooses to record their support or opposition, rather than speaking during the meeting, the Mayor will announce the number of comments submitted in support or opposition to the item. If the caller wishes to receive a call back, the voice of each caller will be broadcast into the meeting during the public commenting time of their desired agenda item. Individuals will be able to comment once per agenda item, no matter the method.
