Paula	Blackwell	913 Dudley Street	Denton	20-734	Opposition	Online	I picked an agenda item and position at random because the attached full agenda is incomprehensible. You need to do 2 things: update this archaic council structure to make meetings more accessible to normal people who don't do this for a living, and cancel in-person school until covid rates are below where they were when you cancelled in-person classes in the spring. That's what I came here to say.

NOTE: Comments for those citizens addressing the City Council are an abbreviated summary.
